**REFLECTOR**  
**GOLDEN COMMENCEMENT**

Hebbie Mitzelfelt  
May 26, 1967

Dear Debbie,

May 31, 1967

For the past two years. I have ~~never~~ been in more trouble with you than in my whole life. I don't ever forget each sabbath you came over my house and watched me sleep. The time we went roller skating and got caught smoking. All those times we went in-gathering. I don't ever forget the times you came over my house after school when it snowed. The time we ram-sacked the house to find something to wear then ended up wearing skirts. When Bob came over we cleaned my room up in about 3 minutes. Put the phone against the door then the very next day dad gave me a key to the house. Last year the trouble "The Gang" got in trouble. And this year when we were at the Bubble. Every night practically we got picked up. We couldn't call each other. but we did anyway. And getting in trouble for wearing make up. I'll never forget the times we went down to the store. Almost got suspended for it by 15 minutes. And I think that in about 20 years from now we'll be able to ride the transit bus again. I'll sure miss getting into all that trouble when you move away. Think of me and what I'll have to put up with P.F. next year.

Friends for life

Sharon.

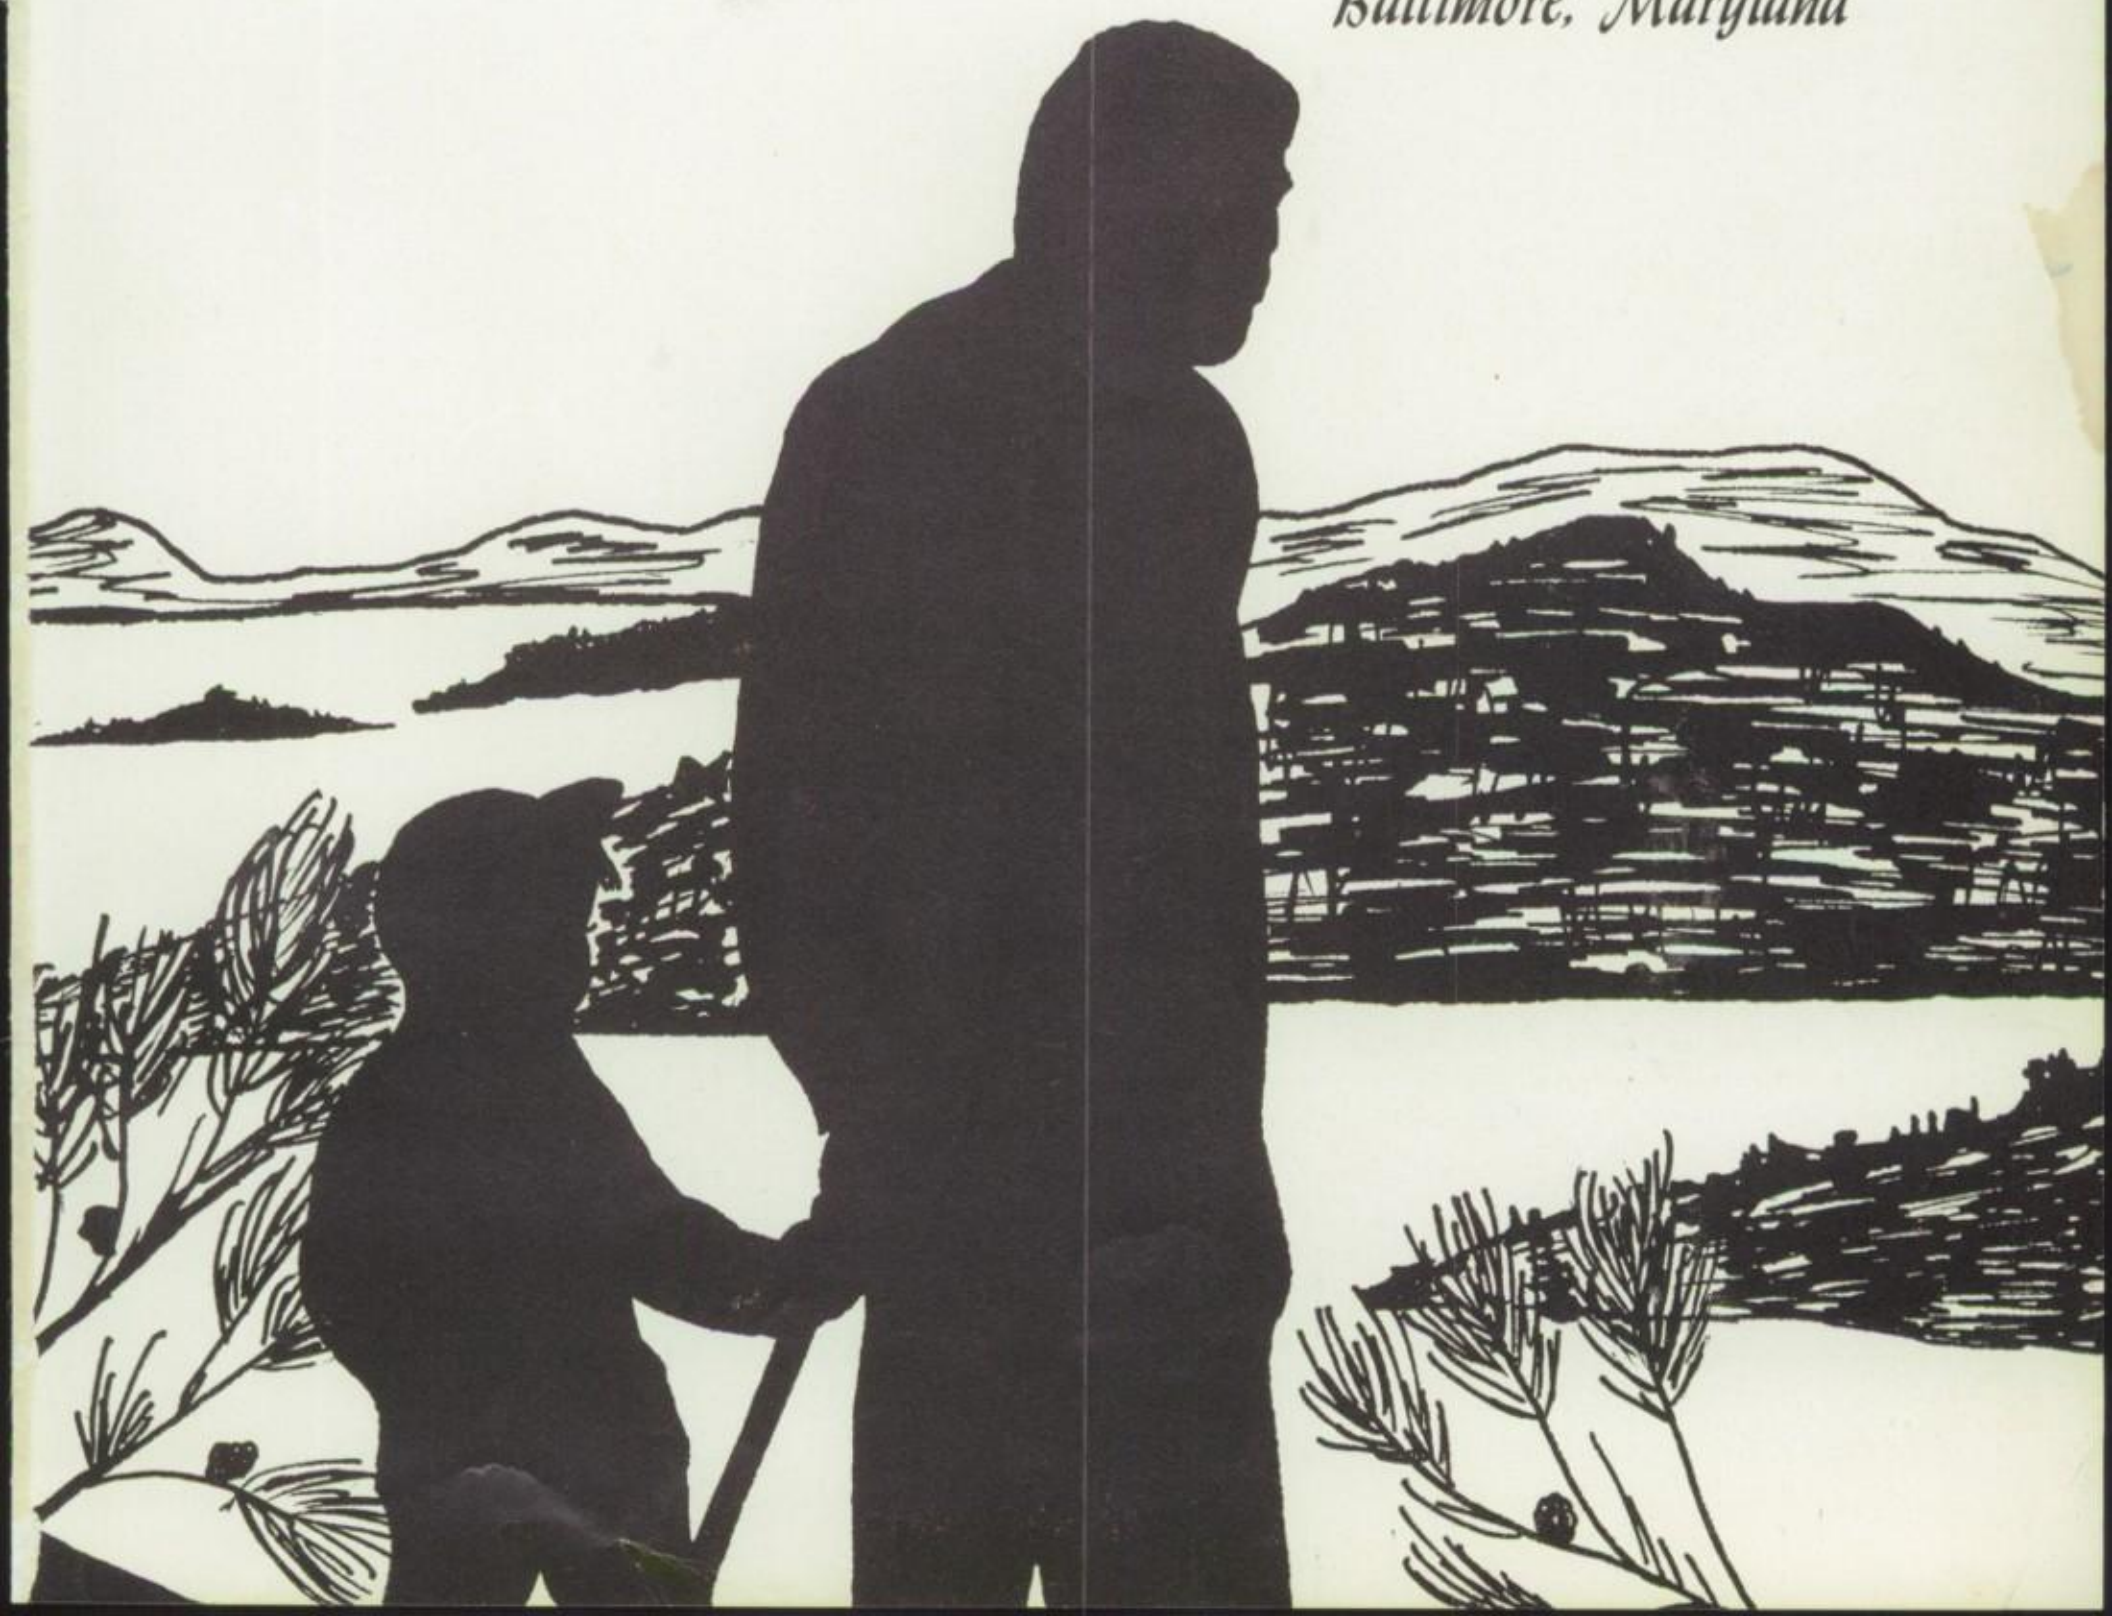

When you come and see me make sure to ride the transit over.

## Foreword

This year the REFLECTOR has tried to capture the kaleidoscope of memories of your life at GREATER BALTIMORE ACADEMY in 1966-67; an experience you have made which we hope has enriched you and made you a better person.

Many will go out from GBA to various fields of service--the mission field, the homeland, self-supporting work, private enterprise but all, we hope, in the Lord's service.

We are praying that He will Teach us

Lead us

Send us

Bless us

Use us

as we fulfill our theme of service, going where He wants us to go.

Stephen Wynn, Editor-in-Chief

"It is not so much where we stand as in what direction we are moving" Christian education in Baltimore is moving. In October, 1916, the first school for Seventh-day Adventist youth of Baltimore was begun in the basement of the First Church while it was still located at Rosedale and North Avenues. The first principal, Mrs. Wilcox, had a total of 20 students. When, through much hard work and labor, they moved into the new Edgecombe Academy in the fall of 1924, 65 students had enrolled. The faculty had increased to three. Louise Stuart was then principal. A tenth grade was added the following year and in 1957, because of such an increased enrollment, a new school had to be built and the old Edgecombe Academy was sold. That is when the school name was changed to Greater Baltimore Academy. The first unit of the Academy was built under the leadership of the principal, Wesley Moore, and now ten years later, the second unit is being occupied by the youth of this area.

The cornerstone inscription of Edgecombe Academy could well be the inscription of our new Greater Baltimore Academy, because Christian ideals never change. "And all thy children shall be taught of the Lord; and great shall be the peace of thy children." Isa. 54:13.

## *In Memoriam*

From the time of her birth July 27, 1920 in New York, through Atlantic Union College with a BS degree in 1945, to Syracuse University for a Master's degree in Library Science in 1952, Mrs. Alfred Brandon left a record of efficiency, thoroughness and devotion to high ideals of service.

After her school years, Mrs. Brandon was librarian at Atlantic Union College, Loma Linda University and the University of Kentucky's Agricultural Experiment Station at Lexington. Except for a brief illness before her death of cancer, May 25, 1966, she worked on a cataloging system for the Greater Baltimore Academy library. She also was a Sabbath School leader and Church Clerk at the Baltimore First Seventh-day Adventist Church where she was a member.

Because of the many hours she unselfishly devoted to the GBA library, we wish to devote a small portion of the 1967 REFLECTOR to the memory of Mrs. Alfred Brandon, beloved wife, mother and friend of all.

Mrs. Alfred Brandon

Russell Doelle

On September 14, 1966, Russell Henry Doelle met an untimely death after attending Greater Baltimore Academy only eleven days. Russell, the oldest of four children, was given and accepted cheerfully all the responsibilities that come to the "oldest". Even though sick with asthma much of his life, he loved to care for his brothers and sister and often said that when he grew up he wanted to help others as a Social Worker more than anything else.

Before his death, Russell expressed the desire to become a baptized member of the Remnant church. To those of us who remember the cheery smile on his face as he left school that fateful evening, it is with gratefulness that we hold to the hope of seeing him with that same smile on the streets of the New Jerusalem.

Yet, in the very midst of life, death. Only the Infinite in His omniscience knows the reason--yet it must be so. Their work is finished, but ours is not. Let us take up the banner of truth they so proudly carried, and the world will not soon forget our commemoration.

Mr. & Mrs. Clifford Patten

*"When a Man  
He Needs*

He was born August 8, 1898 in Michigan and not too long after that moved to Baltimore. Soon after finishing high school, even though his father had college plans for him, he married his girlfriend Beulah, a native Baltimorean.

He took up his trade as carpenter but soon discovered that cement work was more in his line. While operating a machine used for defense purposes during World War II, a tragic accident took his right arm. But this did not discourage him from supporting his growing family of four boys and four girls.

Now, after 38 years of marriage and many thousands of hours of labor on Christian schools where this pioneer of our educational system has sent his children, he is able to see visible modern results.

We admire him for his versatility--for his tact and patience--because we appreciate these qualities and because we sense his dedication to the ideals and practice of Christian Education we respectively dedicate the 1967 REFLECTOR to Clifford Patten.

## *Loves His Work, No Timekeeper."*

Pastor Robert H. Wood

He was born May 30, 1924 and was graduated from the ministry in 1947, one year after marrying Doris. After serving in the Alabama-Mississippi Conference, being pastor of Baton Rouge, Tulsa and Jacksonville churches, and serving as a missionary to Brazil, he came to Baltimore in April of 1965.

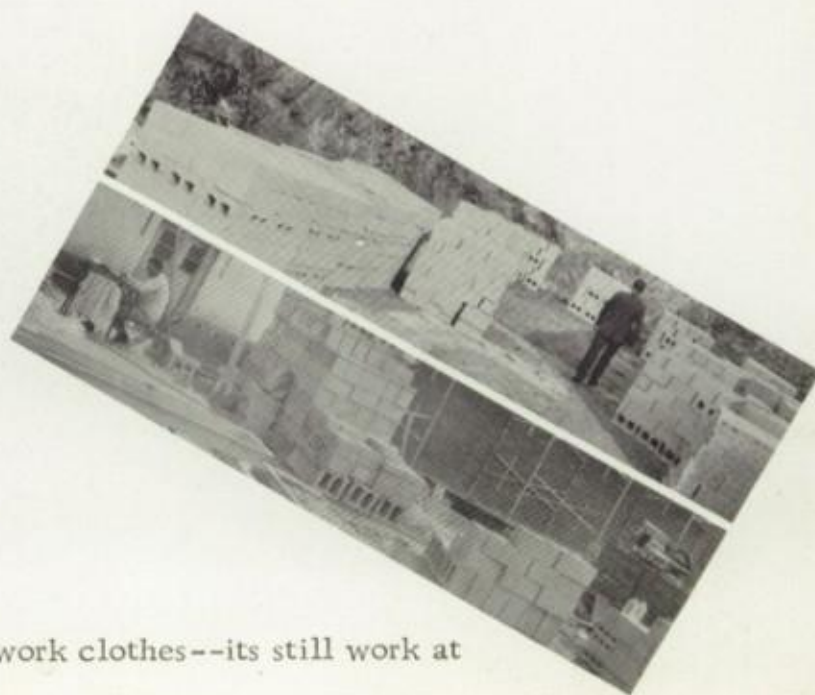

By the members of his church and in his own family of three boys and a girl, he is known as a "wonderful Christian gentleman". Because he seems to thrive on work and is much happier doing something for others, he gets along with little or no sleep. A well-known "authority" (his wife) has said, "He loves to go to the school and work." This is undoubtedly the reason why he has been considered the modern pioneer of the new GBA look.

It was usual for him to come to work in a suit but whether in suit or old clothes, it was to WORK. As one of the students who worked alongside him all summer put it, "We learned to respect his judgement and will-power and wondered how he found time to joke. The sweat ran off his body like it ran off ours."

He has dedicated his talents, his heart and his time to us. We dedicate in token of our appreciation, the 1967 REFLECTOR to him, Robert H. Wood.

## *Principal's Message*

M. Earl Adams, Principal

We wish to express our appreciation to the faithful constituency of churches in this area who have served Adventist youth for fifty years. The full results of their faithfulness, dedication and consecration to the cause of Christian Education will be seen only in eternity.

As we look back over these fruitful years that God has blessed and cared for GBA, we once again echo the words; We have nothing to fear for the future except as we shall forget the way the Lord has led us, and His teaching in our past history. Truly, we as teachers and students do owe a debt of gratitude and appreciation to those devoted, self-sacrificing, visionaries who have carried the burden of sustaining this fine Christian Education facility.

At the time of this Golden Anniversary of the founding of our Academy, let us look back to the enthusiasm and foresight of the pioneers who founded it and, at the same time, let us look forward with renewed efforts and vision to brighter days ahead--days of growth and expansion and of continued blessings from above.

## *Chairman's Message*

Frank Waxter, Chairman

Fifty years ago Christian education had its beginning in the Baltimore area. We have progressed from the two teacher elementary school in the basement of the First Church on Rosedale Street through Edgecombe Junior Academy to the present fully accredited twelve grade academy supported by the Baltimore area churches.

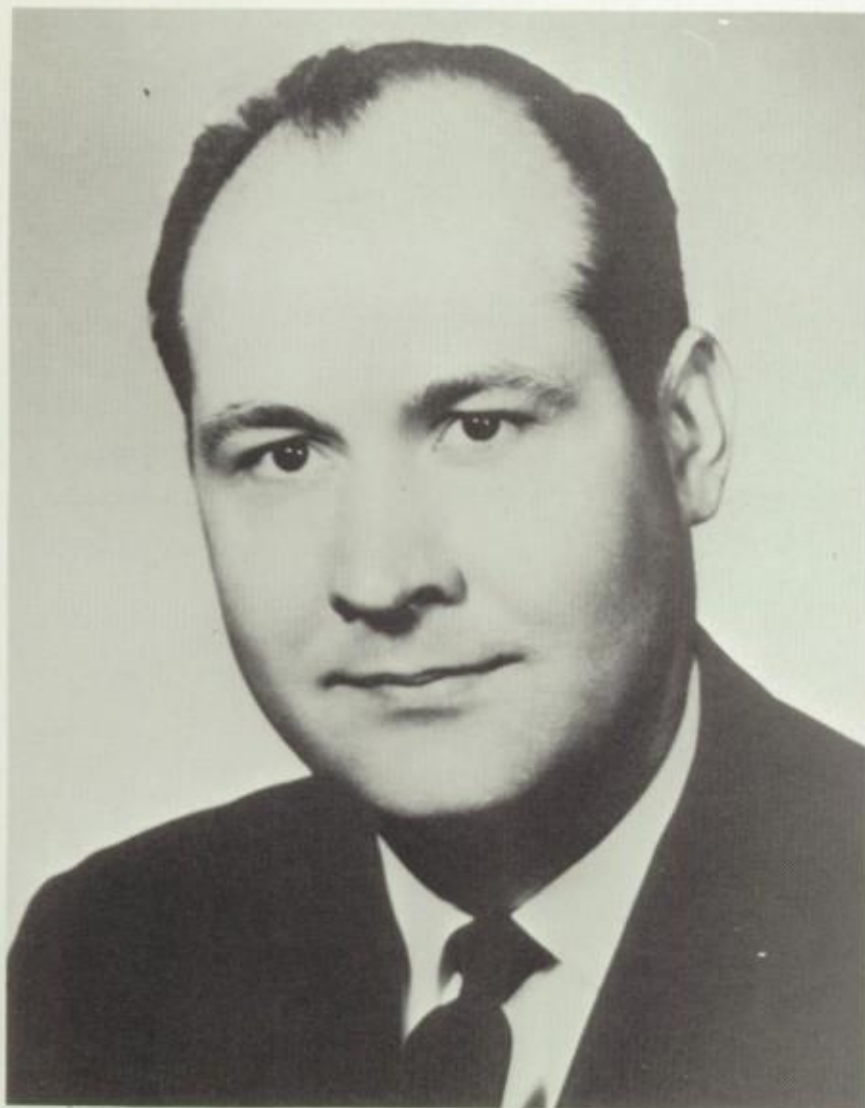

When I was a student of that first school on Rosedale Street, and later through the eleventh grade at Edgecombe, little did I dream that one day I would be honored to have a part in formulating and carrying out the building of GBA as it stands today. Without the wholehearted cooperation of past as well as present pastors, teachers, parents, students and friends, this school would not now be in existence.

We are told by the servant of the Lord (7T-102) that gospel workers must be trained by our schools. Thank God for this Christ-centered institution, with its dedicated faculty, wherein future workers for Christ may be trained. I am thankful to be able to serve Him in a small way as a part of the GBA School Board.

Board Members:

Richard Curnutte, Dr. Roselya Thompson-Daugharthy, Elder Harold Friesen, Sanford Grandstaff, Joyce Gillis, Helen Grove, Keith Hassinger, Elder Tom Hicks, Mrs. Alma Ilgenfritz, Esther Johns, David Kinsey, Mrs. Roma Lapham, Elder Cyril Miller, Elder W. M. Nosworthy, Mrs. Paige Novak, Elder Otis Parish, Clifford Patten, Elder E. A. Robertson, Walter Ruby, Elder Roy Ulmer, Frank Waxter, George White, Elder Robert Wood.

## *President's Message*

Cyril Miller, President, Chesapeake Conference

GREATER BALTIMORE ACADEMY has stood as a hallmark for Christian Education in Baltimore city for the last half century. An eternal influence has been stamped upon the lives of the children and youth who have passed through its doors and have studied under the influence of its dedicated teachers.

Our GREATER BALTIMORE ACADEMY is grateful to those who have sacrificed and worked so untiringly during the past 50 years to keep our philosophy of education and its spiritual values alive.

We now stand upon the threshold of our greatest opportunity. During the past two years our constituent churches have supported the school board in a remarkable way to expand our facilities so that GBA may render a larger service. With the present expansion program completed, GREATER BALTIMORE ACADEMY qualifies for full accreditation as far as the physical plant is concerned.

We look to the future with confidence, for a growing church must have a growing school and a growing school must have a loyal constituency, and it is our good fortune to have all three. As the churches of the Baltimore metropolitan area grow in number and as their membership increases, the facilities and staff of GBA must be expanded too. Our plant is so arranged that it can be developed to accommodate these demands of the future.

It is imperative that we keep our eye single to the task, that we willingly sacrifice of our means and loyally support the cause of Christian Education through our school. Then GBA will be exalted as an institution of excellence providing the opportunity of Christian Education for the children and youth of our Seventh-day Adventist churches in the Baltimore metropolitan area.

May God bless our school board, our faculty, our students, our parents and our members as we continue to join hands in the united effort to uphold and to make our GREATER BALTIMORE ACADEMY what it must be, the very best.

Education is a process of opening new doors. Each door provides a new glimpse of opportunities to be grasped, each with an attendant challenge.

Education does not end with a graduation service. It is an ever-continuing process throughout life. There is no turning back. The past cannot be recaptured.

What you do with what you have is what counts.

Debbie I think  
your a very  
nice and sweet girl.  
You've adored me a  
bit of enjoyment to G.B.A.  
Have fun in the future and  
with the boys. Just me  
"Beatty"

Debbie I've seen a great time  
living in the same school and  
in the same room with you  
never forget all the trouble  
we got into this year and  
had to go to P.F. office or talk  
to the man and then have  
prayer (store <sup>HA</sup>) I suppose we'll  
all do it again next year  
I'm hoping you'll get to  
come here next year and  
suffer with the (Old Man)  
Adams that is so we  
can (PESTER) him again  
maybe he'll leave hopping-  
ly I'll wait. Even if  
you do move to Washington  
I'll come up and see you  
and find some trouble to  
get into until then!  
! Love you! as always  
Rachel
